TUCKER : JOE is wrong. I will tell you why. He is just honoring and respecting an owner the way I look at it. Not that it makes any difference. But how can I, without bringing you into the (obscene) thing, get it back on the right track? He is going to sabotage the whole thing the way he is doing it.

[REDACTED]

TUCKER : No.

TUCKER : I told him about [REDACTED] and about the rest of the department heads and how they were functioning. Last year when I ran into him I said "What the hell are you trying to tell me. How long have you been living on this? He wanted to know how MOE felt, but he doesn't put it like that. He had heard that MOE (DALITZ) had been feeling bad but he didn't put it that way. I got that cleared with MOE. I started from the beginning and took him right through to the end. You are not capable of taking aggravation or planning things like that. We set it up that [REDACTED] is going to be the [REDACTED] is going to handle both sides. BOCK don't like [REDACTED] and for some reason, he has been talking to somebody he shouldn't be talking to about [REDACTED] any more than he should be talking to anyone about [REDACTED]. You know what I am going to do? I am going to (obscene) him off a little bit. As much as it hurts me to do it, I'm going to have to do it. I'm going to have to do it in such a way as to let him know "Look, Mr. BOCK, I have been your friend all my life, but you are not my friend."

62
67C
67D

In relation to above [REDACTED] advised on 5/21/62 that BOCK had officially retired on 5/18/62, and his responsibilities were to be taken over by [REDACTED] an employee of the Stardust Hotel.

New

LV 92-461 (S1)

Informant also advised that [redacted] had been relieved of many of his responsibilities at the hotel and these had been taken over by [redacted]

b7c The references to the two 21's at the Sands and the three 21's at the Riviera is not clear, but this could possibly refer to 21-tables located at the Sands and Riviera, over which the Desert Inn group have control. It is noted there are fifteen 21-tables at the Stardust Hotel. It would appear from the above conversation that BOCK carried more weight than his position as a non-owner would justify and the possibility exists that in the past he represented undisclosed interests.

[redacted] is unknown but apparently he is a contact of BOCK [redacted] for the Las Vegas hotels.

There is indication from the above that [redacted] and DALITZ may be pulling out of active management of the Desert Inn and Stardust Hotels. During recent months, DALITZ has spent little time in Las Vegas and [redacted] has been concerned with his troubles in New York.

BOCK is evidently upset over the possible expansion of the Stardust Hotel. He was evidently not consulted by [redacted] and [redacted] concerning plans for this expansion.

The trip by [redacted] to New York is possibly for the purpose of soliciting conventions for the Desert Inn and Stardust Hotels.

Informant furnished no pertinent information on 5/20, 21, 22, 23, 24, or 25/62.

[REDACTED]

The above statement by [REDACTED] referred to the construction of the contemplated additions to the Desert Inn and Stardust Hotels, Las Vegas, Nevada. It appears from the above that the bids received for completing this construction exceeded original estimates and it is now necessary to cut down or secure additional funds.

b7c

[REDACTED] then made a long distance telephone call to an unidentified individual in New York City and requested him to come to Las Vegas on 8/4/62 for a conference on construction problems. This individual was requested to contact [REDACTED] (probably [REDACTED]) and also see if he can come to Las Vegas Monday.

[REDACTED] then received a long distance telephone call from out of the country. He identified the caller as MOE (MORRIS BARNEY DALITZ). He advised DALITZ that he had talked to JOHN BREW about cutting out the health club and that will save \$154,000.00. He also indicated he would try to sell the lots for 600,000 then "put it in." [REDACTED] advised DALITZ that SAM TUCKER, one of the principal owners of the hotel, had gone back to Miami, Florida. [REDACTED] and DALITZ then discussed the decorating of the large showroom in the Desert Inn Hotel after it was remodeled. [REDACTED] indicated he had contacted an [REDACTED] the Nieman-Marcus Department Store in Detroit. [REDACTED] will be contracted [REDACTED] Desert Inn. DALITZ indicated he would prefer that the room have a foreign motif, possibly of either Italian or Spanish. [REDACTED] told DALITZ that [REDACTED] had called from Detroit and wanted to know when DALITZ was returning to the United States. DALITZ stated he would give [REDACTED] a call. [REDACTED] also talked to [REDACTED] who was with DALITZ and [REDACTED] stated they were all having a good time in Europe. [REDACTED]

Following the call from DALITZ, [REDACTED] contacted another unknown individual and advised this person he had just heard from MOE and he wanted to produce something similar to a production put on at Nieman-Marcus. He preferred something with an Italian atmosphere or background. [REDACTED] told this individual that DALITZ would be returning to the United States on June 29th aboard the S. S. France.

WEEKLY SUMMARY

Re Las Vegas airtel to Bureau dated 6/4/62.

b7C

The following is a summary of information furnished by [REDACTED]:

Informant furnished no pertinent information on 6/3/62.

Informant advised on 6/4/62 that on this date [REDACTED] met with two unknown individuals at the Desert Inn Hotel. At this time they discussed the possibility of constructing a new shopping area in the vicinity of the Paradise Palms housing development which [REDACTED] DALITZ, and others are also constructing at the present time. They discussed the type of tenants they would like to secure for this shopping center and possible methods that could be used to finance construction of the buildings. It was tentatively agreed that they would go ahead and make preliminary checks and contact various businesses to see if they would be interested in leasing space in the proposed new center.

Information from [REDACTED] if utilized, should be carefully paraphrased in order to protect the identity of informant.

Informant advised on 6/5/62 that on this date WILBUR CLARK, President of the Desert Inn Hotel, and an unknown individual met together. They were discussing possible investment by CLARK in additional real estate, the exact location of which was not determined by informant. CLARK stated he puts all of his cash into property as soon as he gets it. At the present time he is receiving \$100,000.00 per year from oil royalties alone. He is only able to keep about \$26,000.00 of this, however, because of taxes. Unknown male who is talking to CLARK stated he was anxious to get back to Houston, Texas, which is apparently his home.

b7c Informant advised on 6/6/62 that on this date [redacted] made several long distance telephone calls, including a call to SAMUEL TUCKER, one of the principal owners of the hotel, in Miami, Florida. [redacted] discussed with TUCKER the new administrative setup at the Desert Inn and Stardust Hotels. [redacted] responsibilities formerly handled by JOE BOCK, who was recently retired. There has been some difficulty since this change was made and BOCK, who is now elderly and a long-time associate of the owners of the Desert Inn Hotel, is apparently still giving orders and has caused considerable friction. [redacted] indicated that the only way it could be worked out satisfactorily would be for BOCK to stay completely away and let [redacted] make all the decisions. [redacted] stated that if he didn't keep "hands off" he was going to have to talk with BOCK and "explain it to him a little more bluntly."

[redacted] advised TUCKER that he was making some headway in cutting the proposed cost of the new additions to the Desert Inn and Stardust Hotels and he thought that shortly he was going to "be within reason." [redacted] also advised that he had a deal whereby he could possibly secure an additional \$600,000.00 in cash. To secure this money he anticipates selling building lots which surround the Stardust Golf Course, which is owned by DALITZ, [redacted] and their associates.

[redacted] stated that everything was going very well except he had had a run in "with these guys you know." He stated half the trouble is with the McGuire Sisters. They wanted to leave and "it all boils down to what happened in the casino last night. You're right, but they didn't advise me. They didn't advise anybody, but instead let a pit boss handle it instead of one of the top men who has the over-all picture. If I had been able to talk to them at the start it wouldn't have been any problem, but now I got to see them today."

LV 92-461 Sub 1

They want to leave [REDACTED]

[REDACTED] made a decision on something he didn't look into far enough. I told him that anything like this I wanted [REDACTED] called and he's to make the decisions at that time of night. I'll get it straightened out, but the only thing I'm worried about now is let's assume they want to quit, I'm not going to stand in their way and then I'm going to have trouble with MOE (DALITZ). It doesn't bother me any but you know the other thing, you know how he yelled about the other thing."

b7c

The above conversation regarding the McGuire Sisters pertains to an incident which apparently arose the previous night in the casino. Later in the day [REDACTED] met with the McGuire Sisters and their manager in an attempt to resolve the difficulty. Details regarding this meeting were furnished to the Bureau in Las Vegas airtel dated 6/7/62 captioned "SAMUEL M. GIANCANA, aka. AR." [REDACTED]

[REDACTED] in the Desert Inn Hotel.

Informant furnished no pertinent information on 6/7, 6/8, or 6/9/62.

Source revealed that JOHN "JAKE THE BARBER" FACTOR, landlord of the Stardust Hotel, was securing a loan of \$6,000,000.00 from the Teamsters Pension Fund in Chicago, Illinois, and an additional \$3,500,000.00 was being secured from Service Life Insurance Company of Texas. The following is a summary of information
furnished by [REDACTED]

Informant furnished no pertinent information on 6/10/62 and information furnished on 6/11/62 has been set forth in separate airtels to the Bureau dated 6/14/62 and 6/18/62.

Informant advised on 6/12/62, that on this date [REDACTED] Desert Inn Hotel, met with an unidentified individual. They mentioned the "DOC" STACHER Grand Jury Hearings in Los Angeles, and [REDACTED] stated he was going down to the local IRS Office on this date. Later in the day [REDACTED] returned to the Desert Inn Hotel and spoke with [REDACTED] California. [REDACTED] inquired as to the identity of the person having the initials "J.M." It was agreed that they belonged to JOE MC ENTYRE (PH), who is now deceased. [REDACTED] which MC ENTYRE approved and initialed. This was possibly a credit application. [REDACTED] also stated that [REDACTED] does not have the authority to okay a \$35,000.00 credit. Evidently this point was also raised by IRS Agents when [REDACTED]

[REDACTED] The first portion of the conversation apparently relates to local political activity. DALITZ was undoubtedly inquiring as to whether Lt. Governor REX BELL had as yet filed for the post of Governor on the Republican ticket.

[REDACTED] and is a known close associate of DALITZ. As previously reported, [REDACTED]

[REDACTED] campaign for Governor. [REDACTED] is apparently now convinced that the contribution was actually made, since BELL has not yet filed for office and indications are he may change his mind and not file.

LV 92-461 (S1)

The latter portion of the conversations relates to efforts by the owners of the Desert Inn Hotel to raise additional funds to complete the addition to the hotel. A loan of approximately \$3,000,000.00 has been secured from Service Life Insurance Company of Texas; however, since bids have been submitted, they now realize they will need an additional \$500,000.00 to complete the hotel as presently planned.

These lots can be sold at the present time for \$12,500.00 per lot and they only cost the corporation approximately \$1,500.00 per lot. The group then discussed a trip they are planning to take to Pebble Beach, California. Pertinent portions of their conversation were as follows:

UNKNOWN MALE: We got so many guys going down we can't have a girl for every guy every night. If we had four or five guys, we would, but since we are going to have twelve or fourteen guys, you can't have that many girls or we'd have a G-- D--- Mardi gras up there. I think what we should do is just invite four, five, or six girls up there for Friday night, at least just tell them it's for Friday night.

[REDACTED]

b7C
UNKNOWN MALE: No arrangements have been made at the present time, that's why we want to discuss it.

[REDACTED]

UNKNOWN MALE: I thought you meant on the golf course (laughter).

[REDACTED]

[REDACTED]

UNKNOWN MALE: Are they coming from Los Angeles?

(Answer not determined.)

(There was then mention that on a previous occasion one of the individuals present had paid a girl \$300.00 and she had been unsatisfactory. They also discussed further the qualities of various girls named who were identified as [REDACTED])

[REDACTED]

UNKNOWN MALE: What would you prefer, having some good looking girls who will play but who aren't the circus type, or actually lining up some hustlers. The nice girls will end up with someone you know, but they may restrict their favors to one guy.

No definite decision was reached as to the number of girls to be secured or whether they would be recruited locally or in California.

[REDACTED] It
is possible these two individuals may be present in Pebble
Beach along with [REDACTED]
[REDACTED] and others.

San Francisco will, through established sources at
Pebble Beach, attempt to identify all individuals in the [REDACTED]
[REDACTED] and, if possible, also identify the girls who are to
entertain them on 6/28/62 and 6/29/62. If these girls can be
identified and it is determined they were brought from outside
the State of California, consideration will be given to inter-
viewing them with the object of making a WSTA case.

Las Vegas also has no objection to San Francisco
furnishing pertinent information to Pebble Beach authorities
if it is determined [REDACTED] and his associates are in violation
of local ordinances.

Las Vegas will attempt to secure additional information
regarding identity of individuals traveling from Las Vegas to
Pebble Beach and will advise San Francisco.

An information copy has been designated for Los
Angeles since that office may be requested to conduct investigation.

[REDACTED] advised on 7/2/62 that on this date [REDACTED] and subject all met at the Desert Inn Hotel. All of the above are [REDACTED] the Desert Inn and Stardust Hotels, Las Vegas, Nevada. Pertinent portions of their conversation are as follows:

DALITZ: We're going to have to have a big check up of the security guards. [REDACTED] house has been broken into three times.

Information from [REDACTED] if utilized, should be carefully paraphrased in order to further protect the identity of informant. This information is not to be disseminated without Bureau authority.

DALITZ: A professional would never do what this punk did. On the other hand if that deputy makes the rounds every hour like he should, he would have had him dead.

DALITZ: I'm just wondering if someone from the Sheriff's Office isn't in cahoots with this guy.

[REDACTED]

DALITZ: I tell you what I'd do and what you should all do. I always have thirty-five hundred and I left [REDACTED] We kind of hide it and [REDACTED] They find that first and don't look any further. They can have it. Put it where they can find it without too much trouble.

DALITZ: Not let's get into trouble over this thing. What are our last figures with the state? There's no one shows anything like we show at the Stardust and D. I. in comparison to the business we do. You know the Sahara isn't giving it to DEL WEBB. You know anyone else associated with them, yes.

[REDACTED]

b7C

[REDACTED]

At this point [REDACTED] and DALITZ leave and [REDACTED] and [REDACTED] remain with the informant. [REDACTED] mentioned that every call you make or I make or anyone else makes out of here, they have it all tapped. [REDACTED] and [REDACTED] then move outside of the immediate presence of informant. Only small portions of their conversation can be detected, but it is apparent they are counting sums of money and placing various figures down on paper. Various names and initials were heard, but they were usually out of context and it was not possible to definitely connect these names with any definite sum of money mentioned. The same individuals were mentioned by name or initial as set forth in airtel to the Bureau dated 3/28/62.

The above conversations are not clear in all respects. The [REDACTED], a Desert Inn [REDACTED] to the Desert Inn Country Club and in the same area as the homes of most of the other owners, has been burglarized on three occasions during recent weeks. This is disturbing to DALITZ and his associates for they apparently have something in their various homes which could possibly have been discovered and cause some difficulty. This was probably a large sum of money. It is suggested this money or other material could possibly be placed in a trunk and deposited in the home of an unknown associate of [REDACTED]. However, this was apparently vetoed in favor of keeping the money in locked drawers in the hotel's executive offices. [REDACTED] makes it clear he does not want the money left in the casino cage because it could possibly be discovered or may arouse the suspicions of other of the casino employees.

The money is evidently supposed to be picked up once a month and [REDACTED] makes it clear that he does not want it left around and allowed to accumulate beyond this time. This is apparently a reference to the money taken off the top each month by the owners. DALITZ then made mention of the hotels figures with the state, which probably referred to the gross win figure on which they pay taxes. He is of the opinion the Desert Inn and Stardust hotel figures compare favorably with those submitted by the other hotels, and he infers that possibly the other hotels are taking a larger cut than the Desert Inn and Stardust.

LV 92-461 Sub 1

The reference to the Sands Hotel concerns the Federal Grand Jury hearing in Los Angeles, for which many of the owners have been subpoenaed. It appears [REDACTED] has been shaking down some of the present owners in exchange for not revealing all that he knows about previous activities at the Sands. His previous connections with [REDACTED] are not known since [REDACTED] is not known to have been a prior Sands [REDACTED] the Desert Inn.

b7C [REDACTED] is also concerned that the increased activity by investigative agencies may eliminate any future illegal take since, as previously reported, it has come to their attention that checkers are tabulating money placed in the drop boxes at the various casinos. They are of the opinion this is being done by IRS, however, it is known that these checks are being made by Nevada gaming authorities.

One information copy designated for Los Angeles in view of information regarding Federal Grand Jury presently sitting at Los Angeles, and one copy designated for Miami since KLEINMAN, TUCKER, and MC GINTY have homes in Miami and reside there on a permanent basis.

DALITZ SHOULD BE CONSIDERED ARMED AND DANGEROUS.

MORRIS BARNEY DALITZ

Dalitz, as you know, is a former Cleveland hoodlum now an executive of the Stardust and Desert Inn Hotels in Las Vegas and an influential figure in the Nevada gambling industry. My memorandum of May 16, 1962, under this same caption referred to the active interest of Dalitz and his associates in Nevada politics and to the concern of casino operators over the intensified investigation of Federal investigative agencies in the State of Nevada.

We have now received additional information evidencing the continued extreme interest of Dalitz in the local political situation, particularly the race for Governor of Nevada.

According to our sources Dalitz and his associates are supporting Democratic Governor Grant Sawyer, who is running for re-election against Republican Rex Bell. Dalitz wants to meet with [REDACTED] the "Las Vegas Review Journal" newspaper and discuss strategy in answering pro-Bell articles appearing in the rival "Las Vegas Sun" newspaper.

We have also been advised that [REDACTED] Las Vegas Hotel Association, has met with Nevada Senators Alan Bible and Howard W. Cannon, Governor Grant Sawyer and Representative Walter D. Baring. [REDACTED] reportedly explained to these officials that Federal authorities were harassing the gambling industry in Nevada and that the Federal Grand Jury in Los Angeles, which was to investigate the activities of Joseph "Doc" Stacher, was actually conducting an investigation of the Nevada gambling industry.

According to another source these officials plan to meet again in Washington, D. C., July 9, 1962, and work out a program to remove some of the pressure from the gambling industry. They reportedly anticipate contacting you or the President and also Internal Revenue Service Commissioner Mortimer M. Caplin in order to effect relief.

NOTE: On Las Vegas teletype to Director 7/2/62, the Director instructed that [REDACTED] and the Attorney General be advised.

Information concerning the afore-mentioned July 9, 1962, meeting is being furnished to the Honorable F. Kenneth O'Donnell, Special Assistant to the President, and to Internal Revenue Service Commissioner Mortimer N. Caplin.

Previous memoranda, the latest dated July 3, 1962, under this caption, advised of the concern of Nevada gamblers over pressure on the Nevada gambling industry as a result of intensified Federal investigation in Nevada.

We have now received information that Dalitz, an executive of the Stardust and Desert Inn Hotels, Las Vegas, and a subject of intensified investigation, contemplates contacting sources in Washington in an effort to remove "some of the heat" from himself, the Desert Inn Hotel and the Nevada gambling industry in general.

Dalitz, according to our source, plans to get in touch with [REDACTED] and have one of these individuals make contact with the Administration. Dalitz has described [REDACTED] as "high up in the Administration" as a close friend of the President through his acquaintance with [REDACTED].

The foregoing information was received from a highly confidential and sensitive source. Appropriate precautions should be taken so that the identity of this source will not be revealed. As additional information is received in this connection, it will be brought to your attention.

NOTE: See Las Vegas teletype to Director 7/6/62 on which the Director instructed "send memo to AG, also put all pressure possible on this."

The hearing referred to above by [REDACTED] undoubtedly relates to an appeal the hotel has made to the Ninth Circuit Court of Appeals of an order issued by Judge ROSS permitting IRS Agents to secure access to credit cards belonging to the Desert Inn and Stardust Hotels. [REDACTED] suggested the opportunity of contacting Nevada officials and requesting them to intervene on a National level with the intention of restricting the STACHER hearings and not permitting them to expand into an investigation of the entire Nevada gambling industry.

The following is a summary of information
furnished by [REDACTED].

Informant furnished no pertinent information on 6/10/62 and information furnished on 6/11/62 has been set forth in separate airtels to the Bureau dated 6/14/62 and 6/18/62.

Informant advised on 6/12/62, that on this date [REDACTED] Desert Inn Hotel, met with an unidentified individual. They mentioned the "DOC" STACHER Grand Jury Hearings in Los Angeles, and [REDACTED] stated he was going down to the local IRS Office on this date. Later in the day [REDACTED] returned to the Desert Inn Hotel and spoke with [REDACTED] California. [REDACTED] inquired as to the identity of the person having the initials "J.M." It was agreed that they belonged to JOE MC ENTYRE (PH), who is now deceased. [REDACTED] which MC ENTYRE approved and initialed. This was possibly a credit application. [REDACTED] also stated that [REDACTED] does not have the authority to okay a \$35,000.00 credit. Evidently this point was also raised by IRS Agents when [REDACTED]

[REDACTED] The first portion of the conversation apparently relates to local political activity. DALITZ was undoubtedly inquiring as to whether Lt. Governor REX BELL had as yet filed for the post of Governor on the Republican ticket.

[REDACTED] and is a known close associate of DALITZ, as previously reported.

[REDACTED] campaign for Governor. [REDACTED] is apparently now convinced that the contribution was actually made, since [REDACTED] has not yet filed for office and indications are he may change his mind and not file.

LV 92-461 (S1)

The latter portion of the conversations relates to efforts by the owners of the Desert Inn Hotel to raise additional funds to complete the addition to the hotel. A loan of approximately \$3,000,000.00 has been secured from Service Life Insurance Company of Texas; however, since bids have been submitted, they now realize they will need an additional \$500,000.00 to complete the hotel as presently planned.

[REDACTED] with subject, [REDACTED] the A and M Corporation, which company owns Sunrise Hospital, Las Vegas, the Paradise Palms housing development, and other real estate in the Las Vegas area. The group discussed the possible disposal of property owned by A and M Corporation, including the Sunrise Hospital and land adjoining the Paradise Palms housing development. There was general agreement that several parcels of land should be sold at this time, including building lots which are located on Desert Inn Road, adjacent to the golf course. These lots can be sold at the present time for \$12,500.00 per lot and they only cost the corporation approximately \$1,500.00 per lot. They can also make a considerable profit if they sell the hospital at the present time.

The group then discussed a trip they are planning to take to Pebble Beach, California. Pertinent portions of their conversation were as follows:

UNKNOWN MALE: We got so many guys going down we can't have a girl for every guy every night. If we had four or five guys, we would, but since we are going to have twelve or fourteen guys, you can't have that many girls or we'd have a G-- D--- Mardi gras up there. I think what we should do is just invite four, five, or six girls up there for Friday night, at least just tell them it's for Friday night.

[REDACTED]

b7C
UNKNOWN MALE: No arrangements have been made at the present time, that's why we want to discuss it.

[REDACTED]

UNKNOWN MALE: I thought you meant on the golf course (laughter).

[REDACTED]

UNKNOWN MALE: Are they coming from Los Angeles?

(Answer not determined.)

(There was then mention that on a previous occasion one of the individuals present had paid a girl \$300.00 and she had been unsatisfactory. They also discussed further the qualities of various girls named who were identified as [REDACTED])

[REDACTED]

UNKNOWN MALE: What would you prefer, having some good looking girls who will play but who aren't the circus type, or actually lining up some hustlers. The nice girls will end up with someone you know, but they may restrict their favors to one guy.

No definite decision was reached as to the number of girls to be secured or whether they would be recruited locally or in California.

[REDACTED] It is possible these two individuals may be present in Pebble Beach along with [REDACTED] and others.

San Francisco will, through established sources at Pebble Beach, attempt to identify all individuals in the [REDACTED] and, if possible, also identify the girls who are to entertain them on 6/28/62 and 6/29/62. If these girls can be identified and it is determined they were brought from outside the State of California, consideration will be given to interviewing them with the object of making a WSTA case.

Las Vegas also has no objection to San Francisco furnishing pertinent information to Pebble Beach authorities if it is determined [REDACTED] and his associates are in violation of local ordinances.

Las Vegas will attempt to secure additional information regarding identity of individuals traveling from Las Vegas to Pebble Beach and will advise San Francisco.

An information copy has been designated for Los Angeles since that office may be requested to conduct investigation.

[REDACTED]

At this point [REDACTED] and DALITZ leave and [REDACTED] and [REDACTED] remain with the informant. [REDACTED] mentioned that every call you make or I make or anyone else makes out of here, they have it all tapped. [REDACTED] and [REDACTED] then move outside of the immediate presence of informant. Only small portions of their conversation can be detected, but it is apparent they are counting sums of money and placing various figures down on paper. Various names and initials were heard, but they were usually out of context and it was not possible to definitely connect these names with any definite sum of money mentioned. The same individuals were mentioned by name or initial as set forth in airtel to the Bureau dated 3/28/62.

The above conversations are not clear in all respects. The [REDACTED] a Desert Inn [REDACTED] to the Desert Inn Country Club and in the same area as the homes of most of the other owners, has been burglarized on three occasions during recent weeks. This is disturbing to DALITZ and his associates for they apparently have something in their various homes which could possibly have been discovered and cause some difficulty. This was probably a large sum of money. It is suggested this money or other material could possibly be placed in a trunk and deposited in the home of an unknown associate of [REDACTED]. However, this was apparently vetoed in favor of keeping the money in locked drawers in the hotel's executive offices. [REDACTED] makes it clear he does not want the money left in the casino cage because it could possibly be discovered or may arouse the suspicions of other of the casino employees.

The money is evidently supposed to be picked up once a month and [REDACTED] makes it clear that he does not want it left around and allowed to accumulate beyond this time. This is apparently a reference to the money taken off the top each month by the owners. DALITZ then made mention of the hotels figures with the state, which probably referred to the gross win figure on which they pay taxes. He is of the opinion the Desert Inn and Stardust hotel figures compare favorably with those submitted by the other hotels, and he infers that possibly the other hotels are taking a larger cut than the Desert Inn and Stardust.

LV 92-461 Sub 1

The reference to the Sands Hotel concerns the Federal Grand Jury hearing in Los Angeles, for which many of the owners have been subpoenaed. It appears [REDACTED] has been shaking down some of the present owners in exchange for not revealing all that he knows about previous activities at the Sands. His previous connections with [REDACTED] are not known since [REDACTED] is not known to have been a prior Sands [REDACTED] the Desert Inn.

b7C [REDACTED] is also concerned that the increased activity by investigative agencies may eliminate any future illegal take since, as previously reported, it has come to their attention that checkers are tabulating money placed in the drop boxes at the various casinos. They are of the opinion this is being done by IRS, however, it is known that these checks are being made by Nevada gaming authorities.

One information copy designated for Los Angeles in view of information regarding Federal Grand Jury presently sitting at Los Angeles, and one copy designated for Miami since KLEINMAN, TUCKER, and MC GINTY have homes in Miami and reside there on a permanent basis.

DALITZ: Did SAM testify that you gave it to him?

[REDACTED]

DALITZ: He forgot he gave it to (?)?

[REDACTED]

DALITZ: Like I told you, I talked to BOY when I was in New York and I told him what I thought about it and he said, "Those (Obscene) [REDACTED] and GARFIELD, look what they are doing to me. They are going to put me in jail." He said, "I'm supposed to be your friend, your people." I said that, "You started the whole ball rolling with [REDACTED] (?) (Phonetic). I said, "In my whole life, BOY, you have never let me know where you stand on anything. Any time you think you can compel or threaten me BOY, I want you to know something - you're not going to get away with it." I told him I

was going to do what I could to help him but "don't think it's because of any threat you are holding over my head." I told him, "You S of a B, anything you say I'll deny it. Now," I said, "don't write me any letters, don't tell me anything and if you have a plan give it to [REDACTED] who has legitimate business out here in Vegas. All you got to do is come and explain it. If it don't hurt anybody and it works, good."

[REDACTED]

DALITZ: They will make a liar out of SAM. His memory is hazy.

[REDACTED]

DALITZ: Don't use the telephones and talk about it. I told them what I would rather they do for your benefit. I would rather they go to SAM direct, then you won't be injected into this thing.

[REDACTED]

DALITZ: Why would you want to inject [REDACTED] Then they would have [REDACTED] involved in this thing. They have got to have these other two guys, right? But don't let them inject you. Don't let them go directly. If [REDACTED] or ROY comes, let them go directly to SAM, that's the way to do it.

The above conversation is a continuance and relates to the same matter as the conversation between [REDACTED] and [REDACTED] California, as reported by informant on 6/11/62 and set forth in airtel to the Director dated 6/14/62.

MORRIS BARNEY DALITZ

Dalitz, as you know, is a former Cleveland hoodlum now an executive of the Stardust and Desert Inn Hotels in Las Vegas and an influential figure in the Nevada gambling industry. My memorandum of May 16, 1962, under this name captioned "Morris Barney Dalitz" referred to the active interest of Dalitz and his associates in Nevada politics and to the concern of casino operators over the intensified investigation of Federal investigative agencies in the State of Nevada.

We have now received additional information evidencing the continued extreme interest of Dalitz in the local political situation, particularly the race for Governor of Nevada.

According to our sources Dalitz and his associates are supporting Democratic Governor Grant Sawyer, who is running for re-election against Republican Rex Bell. Dalitz wants to meet with [REDACTED] the "Las Vegas Review Journal" newspaper and discuss strategy in answering pro-Bell articles appearing in the rival "Las Vegas Sun" newspaper.

We have also been advised that [REDACTED] Las Vegas Hotel Association, has met with Nevada Senators Alan Bible and Howard W. Cannon, Governor Grant Sawyer and Representative Walter S. Garing. [REDACTED] reportedly explained to these officials that Federal authorities were harassing the gambling industry in Nevada and that the Federal Grand Jury in Los Angeles, which was to investigate the activities of Joseph "Doc" Stacher, was actually conducting an investigation of the Nevada gambling industry.

According to another source these officials plan to meet again in Washington, D. C., July 9, 1962, and work out a program to remove some of the pressure from the gambling industry. They reportedly anticipate contacting you or the President and also Internal Revenue Service Commissioner Mortimer M. Caplin in order to effect relief.

NOTE: On Las Vegas teletype to Director 7/2/62, the Director instructed that [REDACTED] and the Attorney General be advised.

Dalitz was reported to be of the opinion that this might not be sufficient action but that efforts should be made to rally the support of other Congressmen, stressing violation of "State's rights" as a result of the pressure being exerted by Federal investigative agencies.

Information concerning the afore-mentioned July 9, 1962, meeting is being furnished to the Honorable F. Kenneth O'Donnell, Special Assistant to the President, and to Internal Revenue Service Commissioner Mortimer N. Caplin.
